PROJECTS

2 / 2015 **Bridge Project**, *Solid Mechanics*, Stanford University
Used truss analysis to design and build a durable bridge from balsa wood with teammates, tested and performed failure analysis on bridge

1 / 2015 - present **Balloons Team**, *Stanford Space Initiative*, Stanford, CA
Built durable payloads to withstand 120,000 ft. elevations for high-altitude balloons

12 / 2014 **Digit Recognizer**, *Artificial Intelligence: Principles and Techniques*, Stanford University
Used multilayered perceptron, linear classifier, and autoencoder approaches to build an AI that recognizes single handwritten digits to 98.5% accuracy

7 / 2014 **Brighten**, *iXperience*, Cape Town, South Africa
Built brighten.co.za to connect volunteers with community service events in S. Africa

EXPERIENCE

10 / 2014 - present **Research Assistant**, *Asian Liver Center*, Stanford University, CA
Developed an online tool for calculating risk and cost for patients with hepatitis B

8 / 2014 – 9 / 2014 **Development Intern**, *Platform 45*, Cape Town, South Africa
Built Sproutbrain, a web app that lowers maintenance for plant growth in office setting

EXTRACURRICULAR

9 / 2014 – present **External Workshops Leader**, *Stanford Design Initiative*, Stanford, CA
Organized workshops (graphic, web design, etc.) for about 30 students by contacting various students and alumni to lead the workshops

9 / 2014 - present **Violinist**, *Stanford Symphony Orchestra*, Stanford, CA
Perform various pieces for Halloween and quarterly concerts in the Bing concert hall

9 / 2011 – 6 / 2013 **Founder & President**, *Origami Outreach Club*, Northwood High School, Irvine, CA
Taught origami to disabled students and senior citizens for fun physiotherapy

9 / 2009 – 6 / 2013 **President**, *Math Olympiad Club*, Northwood High School, Irvine, CA
Served as the first female president; organized AMC, Mandelbrot, and CAML competitions; led and taught various topics at meetings
